

What's Your Agent Actually Doing?

Thu 17, Sept 2026

Presenter name: Jon Avezbaki

How many of you are
building or using
agents?

How many of you are
observing them?

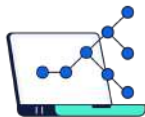

AI Observability is Different...

Non-deterministic behaviour

Outputs can appear correct on the surface

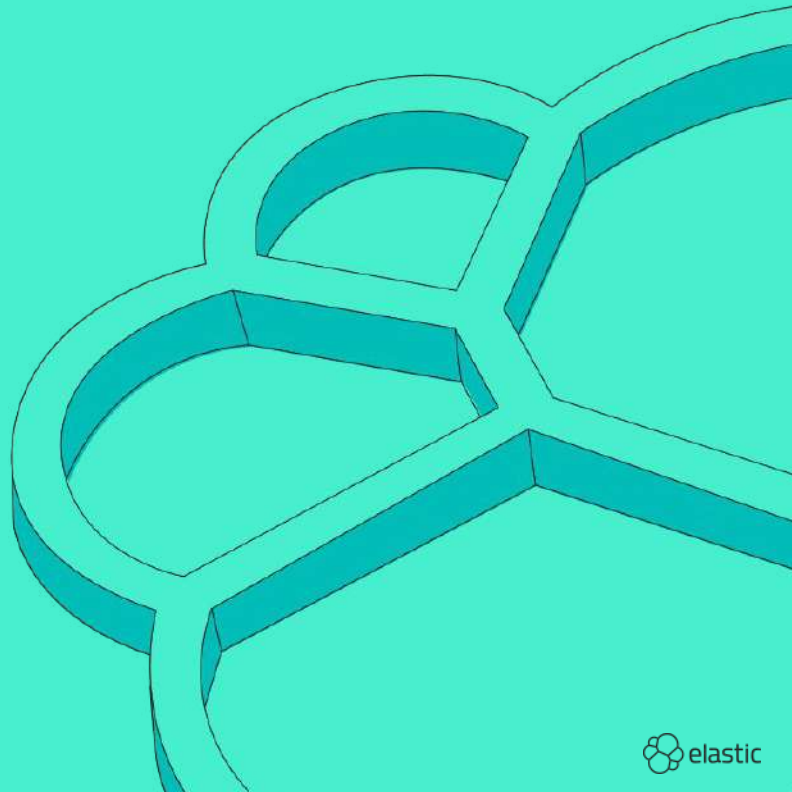

AI models are not static

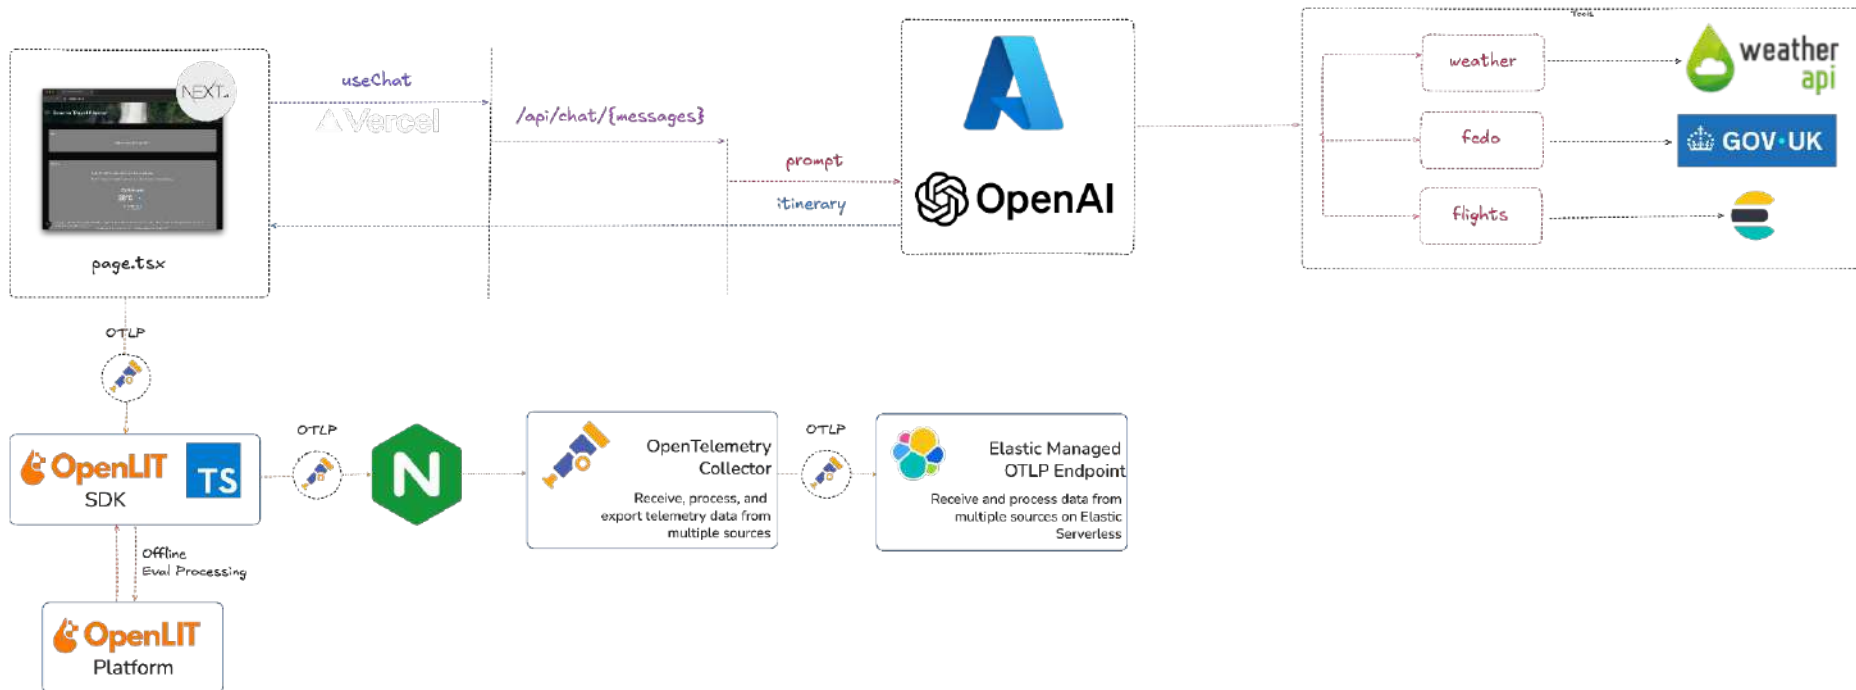

Contextual performance and quality checks

Demo

	<pre>[{"role":"system","parts":[{"type":"text","content":"### Madrid Itinerary - A Visit to the Iconic Brandenburg Gate\n\n**FCDO Guidance**\n\nIt is safe to travel to Spain. There are currently **no travel warnings** for the country. For more details, refer to the [FCDO Travel Advice for Spain] (https://www.gov.uk/foreign-travel-advice/spain).\n\n---\n\n### Flight Information\n\n**Outbound Flight**:\n\n**Airline**:\nElastic Air\n\n**Flight Number**:\nES741\n\n**From**:\nLondon Heathrow\n\n**To**:\nMadrid-Barajas\n\n**Departure**:\nFebruary 21, 2026, 9:00 PM\n\n**Price**:\n£56,578\n\n\n**Inbound Flight**:\n\n**Airline**:\nElastic Air\n\n**Flight Number**:\nES741\n\n**From**:\nMadrid-Barajas\n\n**To**:\nLondon Heathrow\n\n**Departure**:\nJanuary 24, 2026, 2:56 PM\n\n**Price**:\n£56,578\n\n\n---\n\n### Weather in Madrid During the Trip\n\n**Condition**:\nModerate or heavy rain showers\n\n**Temperature**:\n9°C (Feels Like: 8°C)\n\n**Humidity**:\n76%\n\n\n**Packing Tips**:\nBring warm layers, comfortable waterproof walking shoes, a raincoat, and an umbrella to stay comfortable during your visit.\n\n\n---\n\n### 3-Day Madrid Itinerary Featuring the Brandenburg Gate\n\n\n**Day 1: Arrival and Iconic Landmark Exploration**\n\n\n**Afternoon**:\nArrive in Madrid and check into your accommodation. Head directly to the **Brandenburg Gate** (Brandenburger Tor), Madrid's most iconic landmark. Admire its neoclassical architecture up close and explore the **Pariser Platz**, where the gate is located.\n\n\n**Evening**:\nHave dinner at a nearby restaurant such as **Lorenz Adlon Esszimmer**, which offers a stunning view of the gate.\n\n\n**Day 2: History and Culture**\n\n\n**Morning**:\nStart your day with a tour of the **Reichstag Building**, a short walk from the Brandenburg Gate. Book a spot for its glass dome, which offers captivating views of the city.\n\n\n**Afternoon**:\nVisit the **Madrid Wall Memorial** and learn about the city's divided past. The **Checkpoint Charlie Museum** is also nearby and gives insight into Cold War history.\n\n\n**Evening**:\nTake a soothing stroll through **Tiergarten Park**, which surrounds the Brandenburg Gate, and enjoy traditional Spanish cuisine at a local tapas restaurant.\n\n\n**Day 3: Potsdam and Departure**\n\n\n**Morning**:\nTake a short trip to **Potsdam** and visit the **Sanssouci Palace**, a UNESCO World Heritage Site known</pre>

GenAI Observability

This dashboard displays the usage of Large Language Models (LLM) and Vector Databases, tracking OpenTelemetry Traces and Metrics sent using [OpenLIT TypeScript SDK](#) and the [AI SDK experimental telemetry flag](#).

Total Successful GenAI Requests

29

Total Successful VectorDB Requests

N/A

Model	Total Cache Read Input Tokens	Total Input Tokens	Total Output Tokens	Average Operation Duration	Average Time to First Chunk
gpt-4o	29,696	112,870	12,396	6.235	1.899

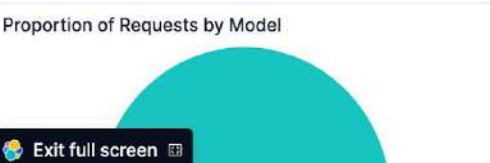

Total Input Tokens

112,870

Total Output Tokens

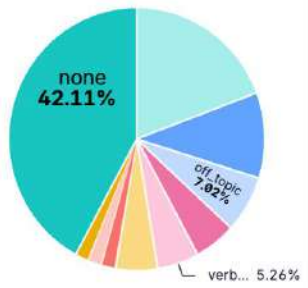

12,396

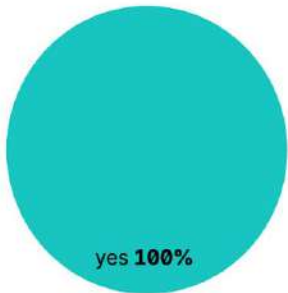

LLM Issues

Potential issues detected in application usage using [OpenLIT TypeScript SDK](#) and the [AI SDK experimental telemetry flag](#). Specifically, hallucination issues identified by the evaluations and breaches of the guardrails are included here.

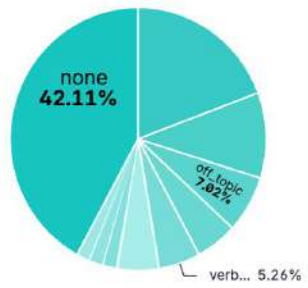

Proportion of sensitive requests

Proportion of hallucinations

Detected issues

Number of threatening requests
